the invention of jewish identity

However, in the invention of Judaism, John J.behalf of his argument makes this book a valuable resource for readers mulling the semantics of Jewish identity during the Second Temple period...

the invention of judaism

This volume takes a fresh view of the role representations of the past play in the construction of Jewish identity. Its central theme is that if Jews’ choice of what to include, emphasis on, omit,

history, memory, and Jewish identity

Jewish identity was also visually marked. Jews were depicted in particular ways in art, and the fourth Lateran Council in 1215 insisted that Jews wear identifying masks on their clothing. Even when

Christianity, Judaism, and Islam

Chapter 1, “How Do You Know That I Am a Jew?”. Authority, Cultural Identity, and the Shaping of Postwar American Jews in his introduction to the classic volume The Invention of Tradition, Eric Hobsbawm

jewish studies at the crossroads of anthropology and history: authority, diaspora, tradition

Over the last two decades that I’ve been studying the effects of the internet on religion and society, I have asked this question in many settings and the answer is always: not many. That’s a problem,

religious communities have a moral obligation to make the internet better

A common misconception holds that early "modernity" invented the "individual": the idea that everyone is a someone with a unique identity independent of family, tribe, racial group, or nation. But who invented the individual? The Book of All Books is one of the last of a series of studies by Roberto Calasso, who died in Milan this past July, at the age of 80. For much of his career, Calasso owned and ran the

before he died, the writer Roberto Calasso had the old testament on his mind

They see that the Jew is damned when he abstains from participation in the majority civilization and equally damned when, heart and soul and mind, he seeks to identify himself with it. They

jews in trouble

In part 1, Carter provides a theological account of modernity in which he establishes the practice of the racism of the West as fundamentally a Christian invention. Christianity’s origins are a

the jews in america
