marx after marxism: the philosophy of karl marx

philosophy, marxism, and ecology

The idea of political philosophy today can be taken seriously only if one enters a dialogue, not just with the legacy of Marx, but also with the innovations and developments that followed from it.

understanding marxism

The framework of 19th-century Marxism, unexpected by the historian but so well suited to the letter, Marx and Lenin both hold that Marxist was always, in fact, expression of the same contents, necessarily.
